

Mama Wrote You A Lullaby

Jessie James Decker

Baby girl don't cry, just close your pretty eyes
Mama's gonna sing you, a lullaby
In the mornin' when you wake, Mama's gonna kiss your face
You bring the sunshine to my life

Baby, ooh
Sleep tonight, ooh
Mama wrote you a lullaby, ooh
Dream tonight, ooh
Mama wrote you a lullaby

Daddy's gonna keep you safe, everything will be okay
Rock you in his arms, while Mama sings a lullaby
In the morning when you wake, we're gonna kiss your face
You bring the sunshine to our lives, oh

Baby, ooh
Sleep tonight, ooh
Mama wrote you a lullaby, ooh
Dream tonight, ooh
Mama wrote you a lullaby
