

Look at me now

Jessy

I've been caged by you for such a long long time,
You had your own particular way to fill my mind,
With low esteem,
Regarding myself,
So i kept me hidden,
Within my shell,
And it took so long,
For me to see,
How demolishing,
You were to me.

Look at me now i'm stronger than before,
Cause i found the strength within myself,
To close the door,
And i closed the door for you to ever come
Inside again,
I've tried so hard to keep me sheltered from
Your kind of men.

I've been blind and foolish but i was just a
Girl,
You seduced me with your lies and promised me
The world,
Now i've had it with you,
And your twisted games,
And no longer will you,
Make me feel so ashamed,
I have found the power,
To open the cage,
I left you behind me,
I turned the page.

Look at me now i'm stronger than before,
'cause i found the strength within myself,
To close the door,
And i closed the door for you to ever come
Inside again,
I've tried so hard to keep me sheltered from
Your kind of men .

Some time ago i walked away,
You tought i'd never be the same,
I recovered on my own,
Without you now i'll cary on
