

# You Were Right

Jet

Spoke To My Friend  
He Said: Why You Feeling down  
You Gotta Give Up Your Love  
Up And Find The Shoe  
That Finds You

Spoke To My Dad  
He Said: It's a Reason To Make You Sad  
Gotta Put Your Hand Down  
Where Do You Found It

In Your Day  
You Were Right  
And There Is No Time  
To Drunk Up The Phone And Die  
Try To Make It Right  
So Do It Fast  
As Long As It Someone To Make  
What I Make right

Spoke To Some Girl  
She Said: Man I Gonna Hurt  
Can't Be Much Fun  
Stand There And Watch While She's Sleeping

You Were Right  
And There Is No Time  
To Drunk Up The Phone And Die  
Try To Make It Right  
So Do It Fast  
As Long As It Someone To Make  
What I Make right

I Have To Replay  
And You Know That I Could Lie  
But I Feel Even Down  
When I'm Sleeping  
But Watch Me Creeping Yeah Yeah

You Were Right  
And There Is No Time  
To Drunk Up The Phone And Die  
Try To Make It Right  
So Do It Fast  
As Long As It Someone To Make  
What I Make right
