

# Diamond

Joan Armatrading

I'll ride I'll ride I'll ride  
The seven seas  
I'll ride I'll ride I'll ride  
The seven seas  
I'll ride I'll ride I'll ride  
The seven seas  
For you

I'll climb I'll climb I'll climb  
The highest peak  
I'll climb I'll climb I'll climb  
The highest peak  
I'll climb I'll climb I'll climb  
The highest peaks  
For you

I'll chase I'll catch I'll bring the moon to you  
There's not a thing you know I wouldn't do  
I'll beat of any challenger who tries to  
Steal  
You  
Away  
From me  
Yeah

Everywhere and in between I see your face baby  
Everything I do  
I do to make you happy  
Maybe I try to hard  
But I can't resist  
Such a beautiful face  
Such a beautiful face

You're fine you're fine  
You're fine you're fine  
Every part of you is like a diamond

Precious to have  
Expensive to keep  
But the night's treasures  
Is alright by me  
Yeah

Da da da

A part of me will always be with you

I don't mind the weather  
I don't mind the rain falling

It doesn't matter if it's sunny  
Or there's clouds up above  
I'll take a chance and I'll predict  
That we will always be in love  
Whatever life throws us we will catch  
We will catch with a glove  
I've got a hunger for you baby

I just can't get enough.

I don't mind the weather  
I don't mind the rain falling  
As long as I'm with you

I'll ride I'll ride I'll ride  
The seven seas  
I'll ride I'll ride I'll ride  
The seven seas  
For you

You're fine you're fine  
You're fine you're fine  
Every part of you is like a diamond

Precious to have  
Expensive to keep  
But the night's treasures  
Is alright by me

Everywhere and in between I see your face baby  
Everything I do  
I do to make you happy  
Maybe I try to hard  
But I can't resist  
Such a beautiful face  
Such a beautiful face

You're fine you're fine  
You're fine you're fine  
Every part of you is like a diamond

Precious to have  
Expensive to keep  
But the night's treasures  
Is alright by me
