

Let The Music Do The Talking

Joe Perry

Wanna take a chance and dance before
I got to leave alone.
One short song and she'll be gone
I wish her off was on
Gotta try, gotta try another way to get her
To come around to me.
Wanna take a chance and dance before
I got to leave alone.

Chorus:

Let the music do the talking
Let the music do the talking
Let the music do the talking
Let the music do the talking
Let the music do the talking

There's just one more thing
I've gotta say
But, I'll explain a different way
You've gotta know I got an axe to grind
I know you won't mind
In your eyes I see the sky no question
Our hearts belong entwined
One last thing, our love
Is positively meant to be

Wanna take a chance and dance before
I got to leave alone.
One short song and she'll be gone
I wish her off was on
Gotta try, gotta try another way to get her
To come around to me.
Wanna take a chance and dance before
I got to leave alone.

Chorus:

Let the music do the talking
Let the music do the talking
Let the music do the talking
Let the music do the talking
Let the music do the talking
