

Room To Move

John Mayall

May seem peculiar
How I think of you
If you want me, darlin'
Here's what you must do
You gotta give me
'Cause I can't give the best
Unless I got room to move
If you want me darlin'
Take me how you can
I'll be circulatin'
'Cause that's the way I am
You gotta give me
'Cause I can't give the best
Unless I got room to move
