

## Singer Of Songs

Johnny Cash

I'm not a savior, and I'm not a saint.  
The man with the answers I certainly ain't.  
I wouldn't tell you what's right or what's wrong.  
I'm just a singer of songs.

But I can take you for a walk along a little country stream.  
I can make you see through lovers' eyes and understand their dreams.  
I can help you hear a baby's laugh and feel the joy it brings.  
Yes, I can do it with the songs I sing.  
I'm not a prophet, and I'm not a priest.  
I'm not a wise man who's come from the East.  
I wouldn't tell you what's right or what's wrong.  
I'm just a singer of songs.

But I can take you to a city where a man was crucified.  
I can tell you how He lived, and I can tell you why He died.  
I can help proclaim the glory of this mighty king of kings.  
Yes, I can do it with the songs I sing.  
I'm not a great man. I don't claim to be.  
But when I meet my Maker and He questions me,  
I won't hang my head. I will stand proud and strong  
and say, "I was a singer. Lord, I was a singer.  
Yes, I was a singer of song."
