

# Take This Job And Shove It

Johnny Paycheck

Take this job and shove it  
I ain't working here no more  
My woman done left and took all the reasons  
I was working for  
You better not try to stand in my way  
As I'm a walking out the door.  
Take this job and shove it  
I ain't working here no more

Ive been workin in this factory  
From now on fifteen years  
All this time I watched my woman  
Drowning in a pool of tears  
And I've seen a lot of good folk die  
Who had a lot of bills to pay  
I'd give the shirt right off of my back  
If I had the nerve to say

Take this job and shove it  
I ain't working here no more  
My woman done left and took all the reasons  
I was working for  
You better not try to stand in my way  
As I'm a walking out the door.  
Take this job and shove it  
I ain't working here no more

Well that foreman, he's a regular dog  
The line boss, he's a fool  
Got a brand new flat-top haircut  
Lord, he thinks he's cool  
One of these days, I'm gonna blow my top  
And that sucker, he's gonna pay  
Lord I cant wait to see their faces  
When I get up the nerve to say

Take this job and shove it  
I ain't working here no more  
My woman done left and took all the reasons  
I was working for  
You better not try to stand in my way  
As I'm a walking out the door.  
Take this job and shove it  
I ain't working here no more

Take this job and shove it
