

# Muddy Rivers

Johnny Rivers

Life is like a mighty river  
Rolling on and on forever  
Growing as we go along  
Shallow deep minds became strong?  
Rolling on muddy river roll  
Your dirty water cannot taint your soul  
Rolling on, rolling on, till you are free  
In the peaceful sea  
Yeah, yeah, now - all right!  
When life has it uncertainty  
There's a place I like to be  
Waiting for the sun?  
Listening to a river song  
Rolling on muddy river roll  
Your dirty water cannot taint your soul  
Rolling on, rolling on, till you are free  
In the peaceful sea  
Oh, Rolling on muddy river roll  
Your dirty water cannot taint your soul  
Rolling on, rolling on, till you are free, free  
Rolling on muddy river roll  
Your dirty water cannot taint your soul  
Rolling on, rolling on, till you are free, free  
Yeah, now  
Rolling on, rolling on, till you are free
