

The Open Letter

Jonny Craig

You're the girl of my dreams
But you don't see me everyday

You're the girl of my dreams
But you don't see me everyday

That's why
That's why
That's why

I'm not giving
I'm not giving
I'm not giving away

That's why
That's why
That's why

I give it away
No way out
Cause I'll never find nobody like you

That's why
That's why

That's why I give it away

Nobody like you
(Nobody like, Nobody like)
Nobody like you
No one

But you're the girl of my dreams
But you don't see me everyday
I give it away

It's just a face
That's what they say
That's why
I give it away

It's getting on now
It's getting on now

That's why I'm feeling so well
It's just a face
That's what they say
That's why I'm feeling so crazy
I'm feeling crazy
So fucking crazy

I'm feeling crazy
I'm feeling crazy
That's why i give it away
(I'm feeling crazy)
It's getting on now
(I'm feeling crazy it's getting on now)

That's why I'm feeling so crazy
That's why I give it away
Cause I'll never find nobody like you
That's why I give it away
I'll never find nobody like you
