## Me and My Shadow

## **Judy Garland**

Shades of night are falling and I'm lonely Standing on the corner feeling blue Sweethearts out for fun Pass me one by one Guess I'll wind up like I always do With only

Me and my shadow
Strolling down the avenue
Me and my shadow
Not a soul to tell our troubles to
But when it's twelve a clock
We climb the stair
We never knock

'Cause nobody's there
Just me and my shadow
All alone and feeling blue
And when it's twelve a clock
We climb the stair
We never knock

'Cause nobody's there
Just me and my shadow
All alone and feeling blue
