

# Betrayed

Julia Fordham

I've betrayed you, not in body and soul  
I've betrayed you, not in ways that would show  
I've betrayed you

by word of mouth, by thoughts of doubt  
forgive me, forgive me

I've misled you, though not intending to  
I've misled you, in ways I shouldn't do  
I've misled you

by word of mouth, by thoughts of doubt  
forgive me, forgive me

a troubled world rolls by my window  
where oh where to begin  
unravelling the secrets of both sides of the skin

by word of mouth, by thoughts of doubt  
by word of mouth, by thoughts of doubt  
forgive me, forgive me, forgive, forgive me
