

I Really Don't Think So

K-Otic

You know that I don't back
You doing what you want without you
Letting me know that you do
(So I can do it to)
We been so together
And if there were ever
Reason to change it
I'm sure we could arrange it baby
Something's wrong
(If you really think that)
You're the only one to get away with it
I know what you're thinking
It's starting to sink in
Chorus:
Why does everthing
Have to be a lovething
Think of all the sorrow that love brings
Is it where we really wanna go
I really don't think so
Why does everthing
Gotta be a lovething
Why can't we dig each other
And just hang
Is it where we really wanna go
I really don't think so
I'm not one to go on
Your pre-conceptions
Correct behaviour
It's really not my flava,baby
Something's wrong
(If you really think that)
You're the only one to get away with it
I know what you're thinking
It's starting to sink in
Chorus
I don't need a ring on my finger
I kinda like be a single
Commitment don't fit me it bit me one time
And I still don't know
Chorus
