you look down mama what was i supposed to say
just let your troubles just float away
them sweet niggas give a bad bitch tooth decay
you need a hardcore, a ?? from the streets
a hustler that can give you what you need like me

todays been one of them bad days
so much drama that its just got me frustrated
i got my baby daddy talkin to me sideways
i got a stack of bills sittin that i aint paid
i got my mama always trippin on my case
i feel like packin up and rollin down the highway
i need a laid back, type getaway
my friends wanna hit the club and i can't wait

uh huh huh huh
so much drama sometimes it makes me wonder
how i keep from goin under
uh huh huh huh
so i'm hittin the club w/ my girls just to keep my head up
uh huh huh huh

chorus:
i need a drink for all of my troubles
i need a shrink to tell how i feel
and i need me one of them sugar daddies
to come pay all of my bills
i need a man to give me some lovin
so i can stop bein so uptight
now if i hit the club i might meet me one
that can make everthing alright

all these worries got a sista stayin up late
a lotta people owe me money and they wont pay

but they steady ask for loans like i'm citibank
you can hear it in my voice that i'm fed up
thank god its friday and its ladies night in the thug club
so tonight i'm just gonna kick it and forget about it
and find me a man thats gonna be about it

uh huh huh huh
so much drama sometimes it makes me wonder
how i keep from goin under
uh huh huh huh
so i'm hittin the club w/ my girls just to keep my head up
uh huh huh huh

chorus:
i need a drink for all of my troubles
i need a shrink to tell how i feel
and i need me one of them sugar daddies
to come pay all of my bills

seems like they on the team up plan
but i aint gonna let them getcha

waitin on ya while you argue w/ your baby daddy
i aint only f**kin w/ ya for the camera and glitz
i'm a laid back nigga whos handlin shit
i never pop up unannounced over your house
i call before i come girl you know what i'm bout
i aint tryin to be your boss, you can manage your life
but in this bedroom ima do some damage tonight

chorus:
i need a drink for all of my troubles
i need a shrink to tell how i feel
