Cause all ya hear is,

Something  
Another gun ting  
Another stabbing  
Another mugging  
Another funeral  
Another one sins  
Another yout man thinks he runs tings  
Another mum lives but inside mum crys til her lungs sink  
Brave face black shades trying to find justice on a wasted chase  
For the heartless killers got faith for the police but their heart isnt in i  
t  
So she gets charged up and reckless cause she can't get her son back and it'  
s hard to accept it  
So she gets a weapon BRAP BRAP BRAP BRAPP  
And she ain't messin BRAP BRAP BRAP BRAPP

But she resorts to voilence BRAP BRAP BRAP BRAPP

Another killing BRAP BRAP BRAP BRAPP  
Them young kids ain't playing BRAP  
Them young kids are spraying BRAPP  
Cause all ya hear is,  
Problems and problems and reasons for the problems  
No solving if the problems just a part of your problem  
More money that's their problem  
Their gunna turn this place in to compton  
If it werent for olympics these pricks wouldn't of put doe into east london  
Neglettion  
Kids carry guns for protection  
Weapons buy that on the streets for pence  
Direction

Kids lost that along time ago  
Even if their trying to blow  
Cause all ya hear is,

U kno were serious BRAP BRAP BRAP BRAPP,  
Cause everyday is BRAP BRAP BRAP BRAPP,  
Them young kids ain't playing BRAP  
Them young kids are spraying BRAP  
Cause all ya hear is,  
Another engine BRAP BRAP BRAP BRAPP  
Another killing BRAP BRAP BRAP BRAPPP  
Them young kids ain't playing BRAP  
Them young kids are spraying BRAPP  
Cause all ya hear is,

Role models

They say we need some black role models  
That ain't footballers rappers actors or no models  
Father figures  
They say we need some more father figures  
Like u can't grow if your mothers there n your father isnt  
Fuck dat  
I say we need to put suttin back  
Into communities where they think the way out is shotting crack  
It's more than, music don't give us the blame  
Atleast were tryin to make a fucking change

In yout them lyrics BRAP BRAP BRAP BRAPP,  
And guns are selling BRAP BRAP BRAP BRAPP,  
Them young kids ain't playing BRAP  
Them young kids are spraying BRAP  
Cause all ya hear is,  
Another engine BRAP BRAP BRAP BRAPP  
Another killing BRAP BRAP BRAP BRAPPP  
Them young kids ain't playing BRAP  
Them young kids are spraying BRAPP  
Cause all ya hear is, brap brap brap brapp
