

That Would Be Fine

Karel Zich

Sunday mornin' ridin' far
In someone else's car
Hitch hikin' down the highway
Meetin' a friend on my way home
Hey, that would be fine

Standin' barefoot in the rain
Waitin' for the midnight train
Knowin' it won't be comin'
Just watchin' my time runnin' on
Hey, that would be fine

Runnin' race with my own life
Doin' all the things with drive
Never wantin' nothin'
That would be fine

Losin' all the keys I got
They sayin': Thanks a lot
No, buddy, no help wanted
I'm free and I got what it takes
Hey, that would be fine

Doin' all I feel like doin'
Nu hurryin' no arguin'
Stayin' out until the mornin'
Then watchin' how the dawnin' breaks
Hey, that would be fine

Runnin' race with my own life
Doin' all the things with drive
Never wantin' nothin'
That would be fine

Meetin' a little lonely girl
Right when I lose my world
Givin' up all I'm after
Just to hear her sweet laughter ring
Hey, that would be fine

Runnin' race with my own life
Doin' all the things with drive
Never wantin' nothin'
That would be fine
