

# Thick as Thieves

Kasabian

There we were thick as thieves  
Frightened by shadows and the autumn leaves  
We wore stolen hearts, vintage souls  
Aided by lies amongst the media foes

And hey ho where did it go?  
When did we lose our sight?  
And it's a nice show the ones we perform  
Performing them day and night  
Night...

See the lines upon my face  
Walking circles with the human race  
And all the little people  
They want to be free  
But I can't get there  
Cause I got you holding me back

And hey ho where did it go?  
When did we lose our sight?  
And it's a nice show the ones we perform  
Performing them day and night  
Night... Let me be free

La lalala la lalala  
la lalala la la la la  
La lalala la lalala  
la lalala la la la la

I gave you all of your scares, but you gave me mine  
I gave you all of your scares, but you gave me mine  
I gave you all of your scares, but you gave me mine  
I gave you all of your scares, but you gave me mine  
Let the light sing again

There we were thick as thieves  
Frightened by shadows and the autumn leaves  
Goodbye my sweet, goodbye, goodbye..
