

# Heart in Chains

Kate Voegele

It's been a week since I've heard your voice now  
You know it seems like a hundred years  
It's hard to sleep, it's a bit alarming  
I'm a mess when you're not here  
And it's a simple curse  
I'm not the first oh but it's a vicious hurt  
And it just gets worse

Oh because you know me well  
Like a child knows a mother's face  
Oh and I don't have to tell you, you've got my heart  
You've got my heart in chains  
Tears on my pillowcase yeah yeah  
I don't want it any other way

Your attention is my addiction  
A roller-coaster of highs and lows  
I need your venom, it's been in my system  
Since the second we said hello  
You love me deep but I'm incomplete  
Baby every time you leave I get so weak

Oh because you know me well  
Like a child knows a mother's face  
Oh and I don't have to tell you, you've got my heart  
You've got my heart in chains  
Tears on my pillowcase yeah yeah  
But I don't want it any other way, no no

Don't leave me helpless  
Don't leave me lost  
Don't leave me waiting  
You're all I've got  
Don't leave me helpless  
Don't leave me lost  
Don't leave me waiting  
You're all I've got

Oh because you know me well  
Like a child knows a mother's face  
Oh and I don't have to tell you, you've got my heart  
You've got my heart in chains  
Tears on my pillowcase, yeah yeah  
I don't want it any other way  
You know me well  
I don't want it any other way  
You know me well  
I don't want it any other way
