

If You Love Me Really Love Me

Kay Starr

If the sun should tumble from the sky,
if the sea should suddenly run dry
If you love me, really love me,
Let it happen I won't care

If a dream I fear should fall apart
I can still be smiling with my heart
If you love me, really love me,
Let it happen darling I won't care

Shall I catch a shooting star,
Shall I bring it where you are
If you only say you care
I can make a mountain fall
I'll do anything at all
As long as you are there

When at last my life on earth is through,
I will share eternity with you
If you love me, really love me,
Let it happen darling I won't care

When at last my life on earth is through,
I will share eternity with you
If you love me, really love me,
Let it happen darling I won't care

Let it happen darling I won't care
