

# Can You Feel Me

Kenny Lattimore

I've got something on my mind  
I just gotta let you know so just, just listen

Can you feel me, what I'm sayin'  
Baby you have got me dreamin'  
You're the only one I'm feelin'  
Wanna love you 'til the world ends

Can you feel me, what I'm sayin'  
Baby you have got me dreamin'  
You're the only one I'm feelin'  
Wanna love you 'til the world ends

From the first time that I saw you  
I knew right then I wanted to hook it up  
It's been a long time since the last time I felt like this  
I'm so in love

Baby, I just wanna be the one  
That you call on when you need love I can't even front  
I will give you anythin' you want  
You just tell me and I'll guarantee

Can you feel me, what I'm sayin'  
Baby you have got me dreamin'  
You're the only one I'm feelin'  
Wanna love you 'til the world ends

Can you feel me, what I'm sayin'  
Baby you have got me dreamin'  
You're the only one I'm feelin'  
Wanna love you 'til the world ends

There is somethin' that you can do to love me baby

You just let me know and I'll do it baby, I will do it baby oh  
Baby I just wanna be the one that you call on  
When you need love I can't even front  
I will give you anything you want, you just tell me and I'll guarantee

Can you feel me, what I'm sayin'  
Baby you have got me dreamin'  
You're the only one I'm feelin'  
Wanna love you 'til the world ends

Can you feel me, what I'm sayin'  
Baby you have got me dreamin'  
You're the only one I'm feelin'  
Wanna love you 'til the world ends

And I don't want nobody else to love  
I don't want to be all alone  
I just wanna give you all my love  
Baby I will be, yes I wanna be yours

Can you feel me, what I'm sayin'  
Baby you have got me dreamin'

You're the only one I'm feelin'  
Wanna love you 'til the world ends

Can you feel me, what I'm sayin'  
Baby you have got me dreamin'  
You're the only one I'm feelin'  
Wanna love you 'til the world ends

Can you feel me, what I'm sayin'  
Baby you have got me dreamin'  
You're the only one I'm feelin'  
Wanna love you 'til the world ends

Can you feel me, what I'm sayin'  
Baby you have got me dreamin'  
You're the only one I'm feelin'  
Wanna love you 'til the world ends

Can you feel me?
