## **Hyperactive**

## **Kill Hannah**

before the sun went down and before he knew what's going on a kiss storm like a meteor shower her lips got hyperactive

so hold her down so hold her down so hold her down so hold her down

after the chandeliers went out in the big grand hotel downtown on her wrist like a beautiful flower her lips got hyperactive

so hold her now so hold her now so hold her now so hold her down

grab on tightly with your legs and arms
'cause we are just the same as all those other animals
we weren't put here just to wait, you know
so hold on now

hyperactive her lips are hyperactive her lips are hyperactive her lips are hyperactive

so hold her down, so hold..

grab on tightly with your legs and arms
'cause we are just the same as all those other animals
we weren't put here just to wait, you know
so hold on, now
