

Heart Rested With You

Kill It Kid

Two hearts caught in the fold,
Two names that twisted like gold.

When my heart,
Rested with you. (3x)

You were the softest spoken girl,
Skin white as ice cut pearls.

When my heart,
Rested with you. (3x)

You were always on my mind,
Brother, lover, friend of mine.

When my heart,
Rested with you. (3x)

But I'd make you cry,
Just to kiss it better with a lie.

When my heart,
Rested with you. (3x)

Two hearts caught in the fold,
Two names that twisted like gold.
When my heart, rested with you.

You were the softest spoken girl,
Skin and bone and a broken curl.

When my heart...

Rested with you.

With you... (3x)

With you. (4x)

With you... (4x)
