

Exit

Killing Joke

Noise turns darker the moments pass
But the drums keep thundering in familiar way
Outside the legions multiply
By and by - you're still alive

Getting nowhere - can't find no way
'cos ego ego taking the fame
Discord dances discord earth
Harvest thanks didn't go quite right

Noise turns darker the moments pass
But the drums keep thundering in familiar way
Outside the legions multiply
By and by - i'm still alive
