

# Honesty

King's X

I don't know where to begin  
Cause I can't tell the shape I'm in  
I feel my face is to the wind  
But I can't tell the shape I'm in  
Honesty can kill  
Honesty can heal  
Honesty

I take my stay and then I go  
But I can't tell so I don't know  
If you are high, I must be low  
But I can't tell so I don't know  
Honesty can kill  
Honesty can heal  
Honesty
