

Perfect 'O'

Kingdom Come

Passion rises between us, babe
Wanna take you in my arms
Slide your body down on mine
Come and move me like ocean waves

Ooh, let it go
I hear you moan
Oh, perfect 'o'

Touch the secret inside you, babe
While our bodies shakin' so
Oh, the way you tease and please
It's only you I want to rock and roll

Ooh, let it go
I hear you moan
Oh, perfect 'o'
Oh yeah
Perfect 'o'
