Shout It Out

Kingdom Come

You know at times it gets real hard
Keep runnin'
You know at times it breaks your heart
Keep runnin'
In all the world there's one of you
Just hold your head up high be proud
And let your spirit cry out loud

Shout it out

You know at times things get so bad
Keep runnin'
You know at times things make you mad
Keep runnin'
In all the world there's one of you
Just hold your head up high be proud
And let your spirit cry out loud

Shout it out

You know at times you want to quit
Keep runnin'
You know at times you take a hit
Keep runnin'
In all the world there's one of you
Just hold your head up high be proud
And let your spirit cry out loud

Shout it out
