

# Why Can't You Hear Me

Kissin' Dynamite

Our souls were kindred twins  
Like an eagle spreads his wings  
Each of us damned to the core  
Alone  
Then this day made earth to hell  
The day my pride began to swell  
I condemn this time to death  
Forever

(Bridge)

This aching loss erodes my brain  
How long can I endure this pain?

(Refrain)

Why can't you hear me?  
Can't you hear my cry?  
I stand alone here and  
I'm afraid to die  
Why can't you hear me?  
Can't you hear my cry?  
Can't you hear me  
Can't you hear me  
Can't you hear...my cry

The Angel on my shoulder won  
But the devil ruled too long  
Trying to undo my faults  
For years  
You were the victim, now it's me  
But now I realize and see  
That there will be no return  
To old times

(Bridge)

This aching loss erodes my brain  
How long can I endure this pain?
