

# Loveless

Kittie

And so we're here again  
I try to speak  
Beg forgiveness  
This fall from grave is in my hands

I'll stay away

You're so forgiving  
I'm so wrong

Stinging tears  
Burn resentment  
All I have  
Is in your possession

And my heart does not  
Bleed for anyone but my own

Am I loveless?
