Cypherspeed

Ride the pandemonium The hyper-confusion Escape to nowhere

Glimpse no illusion In the distance Information Glimpse the existent In the distance

In the chaos of oblivion Transformations

See the speed set to PSI To cypher speed Speed's set to PSI To cypher Reset to PSI To cypher speed Speed's set to PSI

Back to where it started Free of all the noise Escaping inside Nothing is inside the darkness Locked into forever moments Sitting still in silence Scurrying no more Towards the everything you've ever wanted Eyes are closed to find the love inside
