

# Me My Piano

Krystal Harris

So many times, I've been alone  
I didn't know what to do  
I don't know where I'd be if I didn't have,  
I didn't have you yeah  
You comfort me, make me believe, give me the strength I need  
Since you came into my life it's been so heavenly

Me and my piano  
It's all me and my piano

So many things I wanna say to you  
Just because  
You came around and gave me, all your, all your love  
And I would sacrifice my very life  
All you have to do is say the word  
Cause there would never be no other  
No other yeah

Me and my piano  
It's all I wanna do, it's all I play . . .
