Beauty*2

Ladytron

I sent you out to play last night The alarms went off at three. Funny how I'm not loving now Lonely does not guarantee.

I sent you out to play last night The alarms went off at three. Funny how I'm not loving now He's not coming home to me.

I sent you out to play last night The alarms went off at three. Funny how I'm not loving now He's not coming home to me.

And I move out of love.

If only there was only no consequence.

I'd watch it all turn to dust.

Hey can I go with you, my beauty number 2? Hey can I go with you, when the rendezvous' over?
