## **Mariners Apartment Complex**

**Lana Del Rey** 

You took my sadness out of context At the mariners apartment complex I ain't no candle in the wind

I'm the board, the lightning, the thunder Kind of girl who's gonna make you wonder Who you are and who you've been

And who I've been is with you on these beaches Your Venice bitch, your die-hard, your weakness Maybe I could save you from your sins

So, kiss the sky and whisper to Jesus My, my, my, you found this, you need this Take a deep breath, baby, let me in

You lose your way, just take my hand
You're lost at sea, then I'll command your boat to me again
Don't look too far, right where you are, that's where I am
I'm your man
I'm your man

They mistook my kindness for weakness I fucked up, I know that, but Jesus Can't a girl just do the best she can? Catch a wave and take in the sweetness Think about it, the darkness, the deepness All the things that make me who I am

And who I am is a big time believer
That people can change, but you don't have to leave her
When everyone's talking, you can make a stand

'Cause even in the dark I feel your resistance You can see my heart burning in the distance Baby, baby, baby, I'm your man (yeah)

You lose your way, just take my hand
You're lost at sea, then I'll command your boat to me again
Don't look too far, right where you are, that's where I am
I'm your man
I'm your man

Catch a wave and take in the sweetness
Take in the sweetness
You want this, you need this
(Are you ready for it? Are you ready for it?)
