Bare

Bare  
Your love has laid me bare  
No one has ever made me dare so much  
With one sure touch  
Until you touched me.

There  
Where all my secrets hide  
You look so deep inside you see  
The real me  
And still you love me.

And oh,  
I am so naked and exposed  
Every flaw and blemish shows  
And still I feel beautiful  
'Cause you believe I'm beautiful.

Bare  
Like a child  
Like a prayer.

Your love has laid me  
Bare...
