

Art Of Love

Laura Nyro

Celebrate the holiday
Life is for givin'
You belong
To the livin'
Sister
Brother
Are we born to learn
The art of love?
Heart and soul
Body and mind
Mother earth to stars above
Oh
Happy holiday
With love

Shelter from the storm
There but for fortune...
You and I belong to one world
One address S.O.S.
Hear that love message
All around the world-
"Love, not war
Let peace shine for
Every boy and girl"
Child with a dove
Vision of
A happy holiday
With love

"Peace on earth from Tibet"
"Peace on earth from Iraq"
"Peace on earth from Israel"
"From Africa," "from Jamaica"
"From America," "from Cuba"
"Peace on earth from Italy"-

Sister
Brother
Are we born to learn
The art of love?
Love, not war
Let peace shine for the earth
Child with a dove
Vision of
A happy holiday
Happy holiday with love
