

Gotta Thing For You

Lee Aaron

Standin' on the corner
Dancin' in the rain
I knew that you were trouble
But I had ta know your name
Oh I shoulda felt the warnin'
I shoulda seen the signs
Cuz by the light o' the mornin'
I knew that you turned my water into wine

This love is twisted
I couldn't resist it

I (still got a thing for you)
I can't deny it, honey it's true
I (still got a thing for you)
I know it's wrong but I'
Still got a thing for you yeah

Livin' in the fast lane
Heart was on a thread
Final destination
Love over the edge
Aw ya rocked me an' ya rolled me
'Til I had ta break away
But I remember your touch, just a little too much
Some things just never fade away

This love is twisted.
I couldn't resist it

I (still got a thing for you)
I can't deny it, honey it's true
I (still got a thing for you)
I know it's wrong, but what can I do
I (still got a thing for you)
Don't call it love but I' still got a thing for you

Oh baby
There's something about you I just can't put my finger on
But I'd like to
Don't get too close now
Cuz you know-ho, what that does to me
Hey, is that a gun in your pocket
Or are you just happy ta see me

I (still gotta thing for you)
I can't deny it, honey it's true
I (still gotta thing for you)
I know it's wrong, but what can I do
I (still gotta thing for you)

My mama told me
I (still got a thing for you)
I (still got a thing for you)
I can't deny it, honey it's true
I (still got a thing for you)
Oh ya send me don't ya know.

I (still got a thing for you)
Honey honey, ya know it's true
(I still got a thing for you)
Hey!
