

# Here I Am

Leona Lewis

This is a crazy world  
These can be lonely days  
It's hard to know who's on your side  
Most of the time

Who can you really trust  
Who do you really know  
Is there anybody out there  
Who can make you feel less alone  
Sometimes you just can't make it on your own

If you need a place where you can run  
If you need a shoulder to cry on  
Well I'll always be your friend

When you need some shelter from the rain  
When you need a healer for your pain  
I will be there time and time again  
When you need someone to love you  
Here I am, hmmm

If you have broken dreams  
Just lay them all on me  
I'll be the one who understands  
So take my hand

If there is emptiness  
You know I'll do my best  
To fill you up with all the love  
That I can show someone  
I promise you you'll never walk alone

Well if you need a place where you can run  
If you need a shoulder to cry on  
Well I'll always be your friend

When you need a shelter from the rain  
When you need a healer for your pain  
I will be there time and time again  
When you need someone to love you  
Here I am, oooo

Everybody needs somebody who  
They can pour their heart and soul into

If you need a place where you can run  
If you need a shoulder to cry on  
I'll always be your friend

When you need a shelter from the rain  
When you need a healer for the pain  
I will be there time and time again  
When you need someone to love you  
Here I am, Here I am
