

False Hearted Lover Blues

Levon Helm

False hearts have been my downfall, pretty women have been my c
raze
I know my false hearted lover she has sent me to my lonesome gr
ave

Baggy clothes dropping off my body and the wolves howling aroun
d my door
May the man who stole my darling girl feel the bite of my forty-
four

Corn whiskey has wrecked my body and false love is on my mind
I've searched this whole wide world over, pleasure on earth I c
annot find

When my earthly stay is over you can sink my dead body in the s
ea
You can tell my false hearted lover that the waves will wash ov
er me

False hearts have been my downfall, pretty women have been my c
raze
I know my false hearted lover, she has sent me to my lonesome g
rave
