Day Dream

Linda Ronstadt

Funny the way that I feel now Can't keep my feet on the ground Everything seems unreal now When you're not around

Day dream, why do you haunt me so Deep in a rosy glow The face of my love you show

Day dream, I walk along on air Building a castle there For me and my love to share

Don't know the time
Lordy, I'm in a daze
Sun in the sky
While I moon around, feeling hazy

Day dream, don't break my reverie Until I find that he Is daydreaming just like me

Don't know the time Lordy, I'm in a daze Sun in the sky While I moon around, feeling hazy

Day dream, don't break my reverie Until I find that he Is daydreaming just like me
