## **By My Fay**

My tongue arrives where my life cannot - what do you say? Another life what is wrong now here? That's all right but i can't breath no money just a dream how d o you live? No one escape like you want by my fay i feel inside what do you try to find? There's a new kind of man but my lips can't stop what are you w aiting for? My desire and how? there's a place over that hill are you sure? No one scream for hate but only for joy no one can fuck ya 'cau se no one think this You could speak whit god and could ask him Why everything is so quite so danger but at the same time so be autiful
