

# Designer Music

Lipps, Inc.

Everywhere you go  
Lights flash  
All you got to have  
Is the cash

While you think you're able  
It's got to have a label  
Designer music  
Designer music

I don't even know  
What it means  
Stick it on your shoes  
Or your jeans

If Calvin says it's smashin'  
It's got to be in fashion  
Designer music  
Designer music  
Designer music  
Designer music

Following the crowd  
It's their game  
Everything depends  
On which name

It's got to be designer  
There could be no finer  
Designer music  
Designer music

Wearing your Sassons  
Stop the show  
Got to be in Vogue  
With Polo

Stick it on your sweater  
It's got to make it better  
Designer music

Everywhere you go

All you got to have  
Is the cash
