

# Red Planet

Little Mix

In your heart, I found mine  
Fill me with your life  
Boy you make it hot on your red planet  
Turn it up on your red planet

I-i-i-i-i thought my love was bitter sweet  
Broken into pieces but now back on my feet  
Thanking you for letting me through your galaxy  
Pam-pa-rum-pam my heart beats for you  
And I like to explore things  
The way you make me feel, I could never explain  
You make me, make me, make me, make me feel  
That your love is really real

In your heart, I found mine  
Fill me with your life  
Boy you make it hot on your red planet  
Turn it up on your red planet

In Your eyes are see truth  
I'm so connected to you  
Can you make me stop on your red planet  
Turn it up on your red planet

Tell me I'm your first tonight,  
Show me all your love tonight  
Red, red planet  
Throw those other girls tonight,  
Show me I'm your ghost tonight  
Give me all your love tonight  
Red, red planet

I know, I know, I know  
I see the salsa sun and the moon when I'm with you  
Loving you, loving you  
Won't let me alone, it's like a ghost hunt  
Never knew my comfort zone could be so sweet  
Loving you and you and me, now that's twice as big  
That's what I love about us too  
Cause I see me and you, yeah

In your heart, I found mine  
Fill me with your love  
Boy you make it hot on your red planet  
Turn it up on your red planet

In Your eyes are see truth  
I'm so connected to you  
Can you make me stop on your red planet  
Turn it up on your red planet

Tell me I'm your first tonight,  
Show me all your love tonight  
Red, red planet  
Throw those other girls tonight,  
Show me I'm your ghost tonight  
Give me all your love tonight

Red, red planet

I wanna be your only girl and your best friend  
I never want it to end, I never saw over and over  
Again, and again, and again  
And use your body language, don't say a thing  
And do it over again, and do it over again, and do it over again,  
And you see over here

In your heart, I found mine  
Fill me with your life  
Boy you make it hot on your red planet  
Turn it up on your red planet

In Your eyes are see truth  
I'm so connected to you  
Can I make a stop on your red planet  
Turn it up on your red planet

Tell me I'm your first tonight,  
Show me all your love tonight  
Red, red planet  
Throw those other girls tonight,  
Show me I'm your ghost tonight  
Give me all your love tonight  
Red, red planet  
Red, red planet  
Red, red á¹-lanet  
Red, red planet  
Red, red planet
