

Easy

Liz Phair

I think you're trying to scare me
So that I will stop thinking about you
I think you're trying to scare me
So that I will stop trying to be you

It's not that easy, it's not that easy
I laughed when I heard you died
'Cause I didn't know what else I was gonna do

Now, I laugh when I see you alive
'Cause I think you're just pulling my leg
It's not that easy, it's not that easy

Well, it must have taken a whole lot of anger
And it must have taken a whole lot of time
And I can't believe that you found me after all these years
I guess you must have something heavy on your mind

And I can't believe that you thought I'd be happy
To see you up and around, like it's any warning
You look like shit and the smell is even better
And I feel like shit and I wanna go back to bed

You can walk through walls
You can make the head on a doll spin around
And you can haunt the halls
But you can't ask me to make you feel at home
It's not that easy, it's not that easy
