

Hellbent for metal

Lonewolf

Give me the power and might
Give me the darkness and the light
I'm a soldier a renegade
Give the strength to stand and fight
I rule the prayers of iron
I trust in steel the oath I've sworn
I'm a born metalian
I'd rather die than to be a slave
I am what I am and I am metal
We are what we are and we are metal
I am what I am and I am metal
We are what we are hellbent for metal
The metalian's prayer
To the glory of iron and steel
The slave's avenger
The taste of freedom is revealed
The lords of hell obey
Our rules and our fate
The children of the night
Are one legion ready to rise
