

# The More I Run

Lou Rhodes

Where on earth did you come from  
Right out of the blue  
Thought my heart had upped and gone  
Hadn't counted on you

The more I run away from you  
The closer you get  
And what gave you the right  
To prove me so wrong

'Cause I told myself  
I'd never write  
Another love song

The more I run away from you  
The closer you get  
The more I run away from you  
The closer you get  
The closer, the closer  
Closer, closer, closer
