

Slave

Loudness

Maggots on the run
From these rotten guns
Slaughter the alley
Deep in this hell

Rock star's suicide
Liars seek and hide
From the piggy smell
Marchin' to hell

Blame! Blame! Blame! Blame!
Everyday!

We know who we are
You know who we are
But I get tired
Tired of it all

Guilt! Guilt! Guilt! Guilt!
Everyday!

Drink up the night
Suck up the light
Shut up and fight
Back to the grave
Swallow your tears
Follow your fears
Hold back the knives
I am the slave!

You know who I am
I know who I am
But I get tired
Tired of it all

Slave! Slave! Slave! Slave!
Everywhere!

Drink up the night
Suck up the light
Shut up and fight
Back to the grave
Swallow your tears
Follow your fears
Hold back the knives
I am the slave!

Drink up the night
Suck up the light
Shut up and fight
Back to the grave
Swallow your tears
Follow your fears
Hold back the knives
I am the slave!

Drink up the night

Suck up the light
Shut up and fight
Back to the grave
Swallow your tears
Follow your fears
Hold back the knives
I am the slave!
