## **Slave**

## Loudness

Maggots on the run From these rotten guns Slaughter the alley Deep in this hell

Rock star's suicide Liars seek and hide From the piggy smell Marchin' to hell

Blame! Blame! Blame! Everyday!

We know who we are You know who we are But I get tired Tired of it all

Guilt! Guilt! Guilt! Guilt!
Everyday!

Drink up the night
Suck up the light
Shut up and fight
Back to the grave
Swallow your tears
Follow your fears
Hold back the knives
I am the slave!

You know who I am
I know who I am
But I get tired
Tired of it all

Slave! Slave! Slave! Slave! Everywhere!

Drink up the night
Suck up the light
Shut up and fight
Back to the grave
Swallow your tears
Follow your fears
Hold back the knives
I am the slave!

Drink up the night
Suck up the light
Shut up and fight
Back to the grave
Swallow your tears
Follow your fears
Hold back the knives
I am the slave!

Drink up the night

Suck up the light
Shut up and fight
Back to the grave
Swallow your tears
Follow your fears
Hold back the knives
I am the slave!
