## **Dream a Little Dream of Me**

## Louis Armstrong

[Ella (Improvisation)] Stars shining bright above you Night breezes seem to whisper "I love you" Birds singing in the sycamore tree Dream a little dream of me Say "Nighty-night" and kiss me Just hold me tight and tell me you'll miss me While I'm alone and blue as can be Dream a little dream of me [Louis] Stars fading but I linger on dear [Ella] Oh how you linger on [Louis] Still craving your kiss [Ella] How you crave my kiss [Louis] Now I'm longin' to linger till dawn dear Just saying this [Ella] Give me a little kiss Sweet dreams till sunbeams find you Sweet dreams that leave all worries behind you But in your dreams, whatever they be Dream a little dream of me [Louis (Improvisation)] Stars fading but I linger on dear Still craving your kiss Yeah, I'm longing to linger till dawn dear Just saying this, yes [Ella & Louis] Sweet dreams [Louis] Dreamin' [Ella] Till sunbeams find you Keep dreaming [Louis] Gotta keep dreamin' [Ella] Leave your worries far behind you [Ella & Louis] But in your dreams, whatever they be [Ella] You gotta make me a promise Promise to me you'll dream Dream a little dream of me
