

Time of Your Life

Lovex

Wake up my friend
It's the time of your life
And you're missing out on your prime
I'm here spending
The time of my life
But you're still standing there
On the sidelines

Do what you gotta do
You don't have to prove yourself to me
Fight if you have to
This is your only opportunity

Don't let it slip by
It's the time of your life
But you're still waiting for the season to change

Don't end up like your brother
Don't worry about your father
You can choose another
Path to follow

Do what you gotta do
You don't have to prove yourself to me
Fight if you have to
This is your only opportunity

Do what you do, you can start over new
Before seconds turn into minutes
And minutes turn into days
Say what you say and do it today
Before days turn into years

Do what you gotta do
You don't have to prove yourself to me
Fight if you have to
This is your only opportunity

Do what you gotta do
You don't have to prove yourself to me
Fight if you have to
This is your only opportunity

The time of your life
The time of your life
The time of your life
