

Father please, no need to preach  
The words you speak are not new to me  
Born and raised in yesterday  
I've seen your light and turned away

You can lead a horse to water but you can't make it drink  
You can lead your lambs to slaughter, if it's what the shepherd  
thinks

Now I'm gonna live life, love life while I'm alive  
I've only got one chance, this time and it's do or die  
I don't fear damnation, I know what is right  
I've got one life and I'm never gonna live a lie

The weak need a light to help them see  
Ancient beliefs in Christianity  
What's going on? Don't you know what's right and wrong?  
Do you just need somewhere to belong?

You can lead your lambs to slaughter if it's what the shepherd  
thinks

Live life, love life while I'm alive  
I've only got one chance, this time and it's do or die  
I don't fear damnation, I know what is right  
I've got one life and I'm never gonna live a lie

No I don't believe in ghosts,  
Jesus Christ or UFO's  
No I don't believe in anything at all

Live life, love life while I'm alive  
I've only got one chance, this time and it's do or die  
I don't fear damnation, I know what is right  
I've got one life and I'm never gonna live a lie  
No I'm never gonna live a lie  
I don't fear damnation, I know what is right  
I've got one life and I'm never gonna live a lie
