

Frankie Goes To Hemel

Lower Than Atlantis

My teeth are clenched so tight my gums will bleed,
As I watch the filth pig out and begin to feed from the flesh o
f whores,
Off the bones of the ignorant minded who cant quite read the li
nes of male distinctive need.

Just like this..

Drink up quick hun,
Stop toying girl 'cause my cock ain't patient.
Get in my car,
It's second hand but it knows who you are,
Course you're coming with me,
I'm gonna take you to my secret spot.

We'll park the tires on torn grass that was once admired,
With a gorgeous view of Hemel town in June,
Not just the plants but my ego's blooming 'cause you came with
me and I put it out free,
You thing you're clever but your best mate's fuming.

Your face gonna get messy when I show you why apathy fucking su
rrounds you.
I'm gonna show you why life never lets up,
So give up, spread wide, I'll never know you cried,

Come on girl, show me where you piss from!

I'm gonna answer all the questions your soul's been asking,
I'm gonna touch you in all the ways your skin's been craving,
Just lay back, enjoy the ride and quiver hard against the slide
.

That's worth a tear,
That's worth your health,
You know it's what you want,
What am I? Your twelfth?

I bet your mother's really proud with how her baby's turned out
.
A lovely girl, so beautiful, so renowned.

She's gonna tell all her friends about the wonderful girl she's
got,
She's gonna tear at your fathers heart about how they raised an
angel.

You're gonna tell them about tonight,

That the girls were your date in the end
because little lies only hurt you when you got sold a cheat
